Cardinia Lakes helps Pakenham secure success

More than one hundred spectators witnessed a historical victory at the Pakenham and District Golf Course on Saturday (20 February), with the home team winning the Pakenham Plate for the fourth consecutive year.

The team aggregate event, which attracts players from around the region, was sponsored by Peet Limited's Cardinia Lakes estate through its Community Sponsorship Program.

Ron Horne, Robert Yates, Gordon Mackenzie and Jim Welsh outplayed a competitive field in windy conditions to take home the 2010 trophy.

Peet Limited Managing Director and CEO, Brendan Gore, said the Company was pleased to actively support the community by sponsoring the Pakenham and District Golf Club.

"Peet is pleased to support the Club to provide recreational facilities to more than 650 community members and to coordinate major events like the Pakenham Plate, which brings together sports people from throughout the region," Mr Gore said.

"Sporting clubs form an important part of our community fabric and encourage active, healthy living, which Peet also aims to achieve at communities such as Cardinia Lakes."

Pakenham and District Golf Club Manager, Jason McQualter, said the Club was thrilled to have retained the trophy. "This was our 26th year hosting the Pakenham Plate and we couldn't be happier with the result!

The support of competitors, the Club's organising committee and the generous assistance from Cardinia Lakes enabled the Club to deliver another successful event for the season," Mr McQualter said.

The Pakenham and District Golf Club is located minutes from Cardinia Lakes, which is home to more than 300 residents.

The community has been planned around a central landscaped lake and park precinct, which is currently under construction and which will provide an expansive recreation space for residents.
