## **Limited elevated lots released at Cardinia Lakes**

A handful of lucky homebuyers will be able to select their new homesite at Cardinia Lakes in Pakenham when Peet Limited releases eight exclusive new lots on Saturday 27 March 2010.

The generously-proportioned homesites in the Eliza Heights release range in size from 682sqm to a spacious 972sqm.

All are located in a prime cul de sac location a short stroll away from the community's future park and lake area.

Peet Limited Managing Director and CEO Brendan Gore said homebuyer demand for the Eliza Heights homesites was expected to be strong given the quiet, elevated location of the lots.

"Homesites near the estate's landmark lake precinct, which is currently under development, have consistently been popular among homebuyers at Cardinia Lakes," said Mr Gore.

To help buyers match one of the homesites with a new home design at Cardinia Lakes, Peet also launched a new online house and land package service this week.

Using the Peet House and Land website, [www.peethouseandland.com.au](http://www.peethouseandland.com.au), homebuyers can set their budget and new home needs from the comfort of their home or office and receive information about package deals that meet their specific needs.

"The latest user-friendly technology used in the Peet House and Land website allows homebuyers to quickly and easily design packages that meet their requirements and then compare different options in an easy and interactive way," Mr Gore added.

Peet's House and Land website features more than 600 house and land package combinations available at Cardinia Lakes.
